Lalit developed the concept design and prepared all the DA documentation required for the extension to our heritage home. Lalit's input was invaluable during the concept design process. He walked us through the process, was patient and tactful with his advice and recommendations. He presented a design that was creative, functional, aesthetically appealing and incorporated

Lalit Mital of Dynamic Design Solutions provided plans for a Secondary Dwelling which involved conversion and extension of a garage. The design had to complement the heritage nature of the main building. Dealing with Lalit was an absolute pleasure. He listened very carefully to our wishes and dealt with our concerns patiently. His constructive ideas helped produce a final

Dynamic Design Solutions were instrumental in achieving a Development Consent to one of our clients Heritage Listed building at 87 North Road Ryde in 2006. The client scope was to add a rear second storey consisting of terminating the existing stairway and creating a new naturally lit stairwell leading to the existing 4 bedrooms and adding a new master

I came to know Mr. Lalit Mital (Dynamic Design) through our religious organisation BAPS where he was our Architect. I was impressed with his knowledge and dedications and hired him to do complete design of my house at 34 Judith Anderson Drive. I had demolished single story dwelling and he created beautiful two stories design and got the council approval plus ongoing

I hired dynamic design to do a full set of drawings for DA approval. Lalit sat in on a couple of meetings with council, and all items we needed to get passed did. DA got lodged with no issues, and building work has started.

My wife and I undertook a major renovation of our house, and had great difficulty finding a suitable architect. Based on a reference from a work colleague we approached Lalit Mital at Dynamic Design Solutions for assistance. Lalit worked through our requirements in a very thorough manner, and developed a concept for our renovation which met our needs whilst also
